Paseo Community Development District **Guardhouse – Security Company Transition**

The Paseo Community Development District is hereby providing notice to all Residents regarding the upcoming transition of services at the gatehouse from our existing provider Securitas to our new provider Allied Universal Security Services. The transition will take place on Monday, November 20, 2017 at 7:00 am. From this point forward, Allied Universal will be strictly enforcing all entrance procedures and district policies at the gatehouse.

Our goal is to ensure that there is a smooth transition between the service providers. At this time, all guardhouse contact details and procedures will remain the same. If any change is to be implemented all residents of Paseo will be notified in advance. We ask for the patience and cooperation of all residents during this process.

If you should have any questions please do not hesitate to contact the District Management Office at 239-936-0913.
