DISTRICT OFFICE · 9530 MARKETPLACE ROAD · SUITE 206 · FT. MYERS, FLORIDA 33912

www.paseocdd.org

Dear Resident,

The Paseo Community Development District (the “CDD”) has contracted with Copeland Southern Enterprises to perform restoration of pond banks that have sustained washouts and erosion. The ponds under contract for repair at this time are the pond between Provencia Court and the tennis courts, and the pond between Mercato Court and Sarita Court. The work will consist of backfilling and rebuilding the pond bank, as well as installation of aquatic plantings in and around the ponds to help stabilize the banks from future erosion.

The contractor anticipates commencing work on Monday May 6th. Each pond is expected to take approximately one week to complete, weather permitting and absent any unforeseen conditions. All construction activity will be conducted on CDD property, which extends approximately 20’ around the perimeter of the pond.

In order to ensure the safety of the residents and workers during this project, we strongly urge you to stay clear of the lake banks, construction equipment, and workers during this process. If you have any questions concerning the restoration itself, or experience any problems during the course of the work, please feel free to contact our office.

On behalf of the District,

Molly A. Syvret
District Manager
